TECHNICAL PROJECTS

Freelance Full-Stack Software Engineer | *OsoTech* | cosornio.com

Currently under contract to develop/deploy booking website with ongoing maintenance | SabaiHaus.com

- Crafted professional and detailed invoices that accurately documented project milestones and deliverables.
- Designed, developed, and deployed Sabai Haus, a responsive booking website for short-term rentals using React and Next.js, resulting in an increase in bookings and revenue for the property owners.
- Implemented SASS to style the website and improve user experience that matches the brand identity.

Lead Full-Stack Software Engineer | *Just 4 Kicks (e-commerce)* | just4kicks.cosornio.com

Stack: JavaScript, React/Redux, MongoDB, Express, Node.js, Tailwind CSS

- Developed responsive single page application with React/Redux, integrated PayPal API for seamless payment processing, and deployed with AWS EC2 for enhanced performance and scalability.
- Managed Agile team of multiple contributors using GitHub's version control and Kanban board.
- Designed secure login/registration models using Bcrypt and implemented complete CRUD functionality.
- Implemented inventory, pagination, search, and sorting functionalities via 3rd Party RapidAPI.

Full-Stack Software Engineer | *Kringle* | kringle.cosornio.com

Stack: JavaScript, React, MongoDB, Mongoose, Express, Node.js, Bootstrap

- Developed a feature-rich, JavaScript full-stack application for organizing Secret Santa gift exchanges using React, useContext/useReducer for global state management, and deployed through AWS EC2 for future scalability.
- Designed reusable React components and utilized React Bootstrap for an organic UI.
- MongoDB/Mongoose for reliable and scalable data storage, and CRUD functionalities for parties and wishlists.

PROFESSIONAL EXPERIENCE

Mortgage Underwriter | *Better.com* | Irvine, CA

Sept 2019 - April 2022

- Graduated Valedictorian through Better Mortgage's Underwriting University class of 2020.
- Conducted detailed analysis of borrower financial information, including income, assets, and credit history.
- Maintained a high level of attention to detail, reviewing loan files for completeness and accuracy, and identifying any discrepancies or potential risks to mitigate losses and ensure regulatory compliance.

Sr. Loan Consultant | *Ally Financial (Acquired BlueYield Oct 2016)* | Aliso Viejo, CA

Jan 2015 - Sept 2019

- Assisted in development and implementation of new lending policies and procedures.
- Utilized technical skills and software to manage loan applications to ensure compliance with industry regulations and guidelines, demonstrating attention to detail and strong problem-solving skills.
